## Movie themes quiz with answers

It's undeniable that Americans are obsessed with movies, and thanks to Netflix and Prime Video, they're more dodram than ever. (Who no longer need DVDs?) So how well do you know the most famous movie quotes of all time? Put your knowledge to the test by answering the following questions, then aggregate your scores at the end to see how well you did! This content is imported from {include name}. You can find the same content in different formats, or you can find more information on that website. Amazon Answer: Gone with WindCablanca may have some pretty famous quotes on their list, but this one is from Gone With the Wind - and it was named the best movie line of all time #1 by AFI. In the film, Rhett Butler's romance with Scarlett O'Hara is finished with this classic line. Gone with the Wind Watch This content is imported from {included name}. You can find the same content in different formats, or you can find more information on that website. Amazon Answer: Harry Can Sally when men and women really just become friends? That's the basis of the film from which this quote came from. In this scene, Sally attempts to convince Harry that women are fake one side in the middle of Delhi. Another customer sees her and says to the waitress that she's going to have what she has. When Harry meets Sally, this content is from {embed name}. You can find the same content in different formats, or you can find more information on that website. IMDB/AMAZON ANSWER: Forrest Gump spoke for him, but he reminds me of a quote his mom told him when he was a child. Watch FORREST GUMP This content is imported from {included name}. You can find the same content in different formats, or you can find more information on that website. IMDB Answer: These quotes for Dirty Dancing come from something other than dirty dancing - you know, that iconic dance scene and one. If you haven't had the time of your life yet, just throw in a few music and find a partner to do the famous dirty dance lift. View The Dance This content is imported from {Include Name}. You can find the same content in different formats, or you can find more information on that website. IMDB Answer: A few good menIt is one of the most memorable lines from a few good men, if you ask us. Watch some good men pull this content from {included name}. You can find the same content in different formats, or you can find more information on that website. IMDB Answer: How many times do you say this while shooting your photos as sunset?! It's a phrase people were born to know basically, and it comes from the 1950s movie Sunset Boulevard, a drama about a silent movie star who hires a screenwriter to help her break back into business. \* Cue violence and danger \*Watch Sunset Boulevard pull from this content You can find the same content in different formats, or you can find more information on that website. IMDB Answer: Taxi driver Yep, that's the infamous tough man line from Travis Bickle's (played by Robert De Niro) movie Taxi Driver. You've certainly heard it before, whether you know what or not. The film is about a war veteran with insomnia who starts taxi warfare - and he decides he wants to save the world. Watch taxi drivers get this content from {included name}. You can find the same content in different formats, or you can find more information on that website. IMDB Answer: Cool Hand Luke If you like prison drama, you definitely know this line from Cool Hand Luke - a movie about a prisoner who keeps trying to escape doesn't comply with the rules. Watch Cool Hand Rook this content is imported from {included name}. You can find the same content in different formats, or you can find more information on that website. IMDB/AMAZON ANSWER: TerminatorIt's just three small words, but definitely the most iconic line of the whole movie about Cyborg (aka Arnold Schwarzenegger) traveling back in time to kill someone. View This content is imported from {include name}. You can find the same content in different formats, or you can find more information on that website. IMDB Answer: Jerry Maguire is not happy with his agent, so he dances and repeats, show me the money! Call again and again to get the agent to work on it. It is arguably the best scene of the entire film, and even helped Cuba Gooding Jr. win an Oscar. Watch Jerry Maguire pull this content from {included name}. You can find the same content in different formats, or you can find more information on that website. IMDB answer: Liam Neeson's character in the shoot is obviously intimidating, but how should someone else row East Sea daughter is kidnapped? His enemies answer good luck.
